

2011 Free Vaccination Clinics

Updated 3/16/2012

Clinics are open to the public at no cost and on a first-come first-service basis. Clinic times, dates and locations are subject to change. Please call the Immunization Assistance Project for the most current schedule at (510) 267-3230 or the Public Health Clearinghouse at 888-604-INFO (4636). You may also visit our website: www.acphd.org

Services include:

Immunizations (shots) are for babies and children who are under 19 years old. Immunizations available may differ between clinics. Look in the Notes section for clinics that offer vaccine(s) to adults. Some clinics offer TB skin testing (PPD) which is listed in the notes section.

Please bring your child's immunization record with you.

Who is Eligible?

All Immunizations for children who are under 19 years old and meet the following conditions: you have no health insurance or it does not cover immunizations, you are an American Indian/Alaskan Native or you are eligible for CHDP/Medi-Cal.

Please bring your child's immunization record.
